

Final Survey

Start of Block: Consent

Q1 Dear Participant, Thank you for agreeing to participate in this survey. **Purpose and Procedure:** As part of a broader project on cultural tastes for things like movies, television, food, and fashion we are conducting an online survey of individuals in the United States. You will be presented with questions about your impressions and tastes for different cultural goods and items. At the end of the survey, you will also be asked a series of more general demographic and attitudinal questions, simply to allow for the comparison and analysis of the results. **Potential Risks and Benefits:** There are no risks to your participation in this research. You will receive financial compensation for the adequate, honest, and full completion of this survey, as predetermined by Qualtrics. **Confidentiality:** All steps necessary will be taken to ensure your confidentiality. No personally identifiable information will be present in the data analyzed. All data for this project will be securely stored on a password protected computer. Only the researchers will have access to the data. **Right to Withdraw:** You may withdraw from the study for any reason, at any time, without penalty of any sort. However, no compensation will be provided for partial completion of the survey. If you choose to withdraw from the study after completion of the survey, any data that you have contributed will be destroyed. All participation is voluntary. Note: You are encouraged to save or print a copy of this consent statement for your records. If you have any questions or concerns, you may contact us through the Prolific interface or through the contact information below. Thank you again for your participation in this research. Best regards, Clayton Childress CultureHistoryTasteStudy@gmail.com **I have read the conditions of my participation in this study and give my consent to be a participant.**
